DETERMINATION

Determination to FINISH what we have began is a discipline we need. No one will do an impacting job who will not learn the discipline of determination.

Do you remember the story of the spider and king? The spider tried to climb to the roof of a building using its web. A king lay I his bed watching the drama unfold. The spider would almost make it, then it would fall all the way to the ground. This happened for several hours. At last it made it, and the king knew, "it is too soon to quit".

Yes, persistence wears out resistance. Endurance is a must in this life. A vision, a big dream is important for success, but a dream without endurance is destined to fail. You must learn to keep it going regardless of the setbacks. Always remember the saying, "where there is a will, there is a way."
